

Express Medicals Expansion

The New Year brings about change in many people's lives and organisations alike and Express Medicals is delighted by the recent expansion of its London medical centre. We now have 8 medical rooms, 3 drug & alcohol suites and a vaccination / phlebotomy room. Same day appointments are always available in London.

We are also expanding our clinic network with new additions in Reading and Milton Keynes to provide 14 medical centres. In addition to our 14 medical centres we offer an on-site service to minimise downtime for your staff. We offer a flexible service by combining a variety of delivery models to suit your business needs and minimise your company's expenditure.

We have clinics in the following locations across the UK:-

- Ashford
- Birmingham
- Bristol
- Cardiff
- Derby
- Doncaster
- Glasgow
- London
- Manchester
- Milton Keynes
- Newcastle
- Reading
- Southampton
- Stoke

Express Medicals prides itself on providing a quality service to its clients. This has recently been reinforced by Express Medicals being accredited with the Safe Effective Quality Occupational Health Service (SEQOHS) accreditation of the Faculty of Occupational Medicine of the Royal College of Physicians. The SEQOHS accreditation is a set of standards to raise the standard of care by occupational health services. For more information about the SEQOHS accreditation please go to www.seqohs.org.

WorkHealth *matters*

We have over 15 years' experience of providing best practice occupational health in various industries including the rail, transport and construction sectors. We are accredited to supply occupational health and drugs & alcohol services to Network Rail, Crossrail, London Underground and Docklands Light Railway.

Our services include:-

- Occupational Health
- Health Surveillance
- Drug & Alcohol Testing
- Rail Medicals
- Wellbeing
- Counselling
- Physiotherapy
- Vaccinations
- Blood Testing
- Travel Health
